

Food Buying Guide 2021 Updates

Let's Cook Wisconsin School Meals Rock

A new K-8 & 9-12 [cycle menu](#) has been created to expand menu offerings and incorporate more scratch cooking. This replaces the On Wisconsin! cycle menu.

NEW Serving Size per Meal Contribution drop-down

A drop-down menu of different serving sizes is available for some food items on the Food Item Details page.

As the Serving Size changes, the values of Servings per Purchase Unit, EP and Purchase Units for 100 Servings are updated accordingly. Also, the Description of the Serving Size per Meal Contribution is updated when applicable. Visit page 18 of the [FBG User Manual](#) for more information.

Questions?

The School Nutrition Team (SNT) is available to answer questions regarding the FBG and other school nutrition topics. [SNT Directory](#).
